## CREMATION PLOTS

A cremation plot is a wedge shaped granite memorial stone with a flower holder at the top. The stone measures 18" square and up to two sets of cremated remains can be interred at the memorial.

The plots are sold for a ten year dedication period and a reminder will be sent to the applicant at the end of this period with the option to renew the dedication for a further 10 years. If you choose not to renew the dedication then the cremated remains will need to be exhumed from the plot.

This fee is for a 10 year dedication period and includes a granite stone and an inscription NOT exceeding 50 letters/characters. The cost for additional letters can be found on our price list. Please also read the terms and conditions applicable to this memorial overleaf and sign at the bottom of the page to confirm your understanding and agreement of the terms.
